Commentary

The Company traded from 18 April 2013 in road freight transport. The Liquidator has been advised that the reason for the failure of the Company which led to the appointment of the Liquidator is due to Lack of profitability and Covid-19 issues.

To date, the Liquidator has sent notices to the Company’s officers and professional advisors pursuant to section 261 of the Act requesting the delivery of the Company’s books, records and legal files. The Liquidator has also frozen the Company’s bank account and has issued notices to the secured creditors asking for details of their debt and securities.

A statement of the Company’s estimated financial position as at the date of liquidation is provided in Appendix One. This statement has been prepared based on information obtained from the Company, its officers and creditors. The information has yet to be verified for validity and may be subject to change.

Proposals for Conducting the Liquidation

The Liquidator will take steps to realise the assets of the Company and continue their investigations into the affairs of the Company to determine if there are any insolvent transactions and/or breaches of any relevant legislation by the Company or its officers. It is too early to comment on any recoveries and the likelihood of a distribution at this stage. However, if it is determined that there are sufficient funds to make a distribution to creditors, the Liquidator will contact

the creditors if they have not already provided their claim forms along with any applicable documentation in line with AML/CFT laws. Any distributions will be made in accordance with Schedule 7 of the Act.

Assets

The Liquidator has been advised that the Company had the following assets as at the date of the liquidation:

- A number of vehicles
- Sundry fixed assets
- Employee loan

It is too early to determine the realisable value of these assets and/or any potential claims available to the Liquidator. The Liquidator is also investigating whether there are any other assets and/or potential claims which may give rise to additional recoveries for the benefit of creditors.

In accordance with section 255(2)(c) of the Act, a schedule of all known creditors of the Company as at the date of this report is provided in Appendix Two.

Secured Creditor Claims

The Liquidator has issued notices in accordance with section 305 to the secured creditors on the date of their appointment. Secured creditors have 20 working days after that date to elect which of the following they wish to exercise:

- a. Realise the property subject to their charge; or
- b. Value the property subject to their charge and claim in the liquidation as an unsecured creditor for the balance of their claim, if any; or
- c. Surrender the charge to the Liquidator for the general benefit of creditors and claim as an unsecured creditor for the whole debt.

If a secured creditor fails to notify the Liquidator of their election within 20 working days, their charge will be surrendered to the Liquidator for the general benefit of creditors and they may claim in the liquidation as an unsecured creditor for the whole debt.

If you hold a security interest over the Company's assets or has a retention of title over assets owned or controlled by the Company and you has not yet been contacted by the Liquidator in regard to your interest, please contact the Liquidator immediately.
