Commentary

The Company traded from July 2018 in recreational gaming combining archery with dodgeball/paintball/laser tag. The Liquidator has been advised that the reason for the failure of the Company which led to the appointment of the Liquidator is due to a disagreement between Kira Sunnex and Hyrum Sunnex, which resulted in High Court action clarifying who the directors and shareholders of this company were.

To date, the Liquidator has held discussions by phone or email with a number of parties including a purported buyer of the company business.

The Liquidator has also frozen the Company’s bank account. Notices have not been issued to secured creditors as no charges have been registered on the PPSR.

Statement of the Company’s Affairs

A statement of the Company’s estimated financial position as at the date of liquidation is provided in **Appendix One**. This statement has been prepared based on information obtained from the Company, its officers and creditors. The information has yet to be verified for validity and may be subject to change.

Proposals for Conducting the Liquidation

The Liquidator will be investigating all matters and intending examining parties under oath.

It is too early to comment on any recoveries and the likelihood of a distribution at this stage. However, if it is determined that there are sufficient funds to make a distribution to creditors, the Liquidator will contact the creditors if they have not already provided their claim forms along with any applicable documentation in line with AML/CFT laws. Any distributions will be made in accordance with Schedule 7 of the Act.

Assets

The Liquidator has been advised that the Company had the following assets as at the date of the liquidation:

- Cash at the bank
- Disputed assets and business goodwill

It is too early to determine the realisable value of these assets and/or any potential claims available to the Liquidator. The Liquidator is also investigating whether there are any other assets and/or potential claims which may give rise to additional recoveries for the benefit of creditors.

In accordance with section 255(2)(c) of the Act, a schedule of all known creditors of the Company as at the date of this report is provided in **Appendix Two**.

Secured Creditor Claims

A search of the Personal Properties Securities Register disclosed no security interests registered against the Company.

Preferential Creditor Claims

Unsecured Creditor Claims

If you are an unsecured creditor and have not already done so, please complete and return the Unsecured Creditor's Claim Form (attached) by no later than 9 March 2023.

Legal Proceedings

The Liquidator is aware of a history of legal proceedings but understands there are no proceedings at foot.

Meeting of Creditors

A notice of dispensing with the meeting of creditors is provided in **Appendix Three**.

Estimated Completion Date

It is not practicable to estimate the date of completion of the liquidation or if there will be any distribution at this stage. However, if you are a creditor or shareholder and wish to assist the Liquidator by providing funding for recovery action or by providing additional information that would assist the liquidation, please contact the Liquidator as soon as possible. The Liquidator request that the information be provided in writing along with copies of supporting documentation.

Further reports will be issued every 6 months and a final report will be issued at the conclusion of the liquidation pursuant to section 257 of the Act.
