### Commentary

The Company was set up as a vehicle for product to be exported. It had no employees, all work preparing documentation was completed in China. The petitioning creditor worked with the James Tyler China team and sent various trial shipments. Eventually two shipments were sent to China, but the product did not sell. Payment was never received for the product so Fonterra Brands (New Zealand) Limited petitioned the Court to place the Company into liquidation.

To date, the Liquidator has sent notices to the Company's officers and pursuant to section 261 of the Act requested the delivery of the Company's books, records and legal files. We have been advised there are no records. It appears an IRD number was applied for, but it is unknown if the application was completed. No bank account has been found.

### Statement of the Company's Affairs

A statement of the Company's estimated financial position as at the date of liquidation is provided in **Appendix One.** The information has yet to be verified for validity and may be subject to change.

### **Proposals for Conducting the Liquidation**

The Liquidator will continue his investigations into the affairs of the Company to determine if there are any insolvent transactions or breaches of any relevant legislation by the Company or its officers. It is too early to comment on any recoveries and the likelihood of a distribution at this stage. However, if it is determined that there are sufficient funds to make a distribution to creditors, the Liquidator will contact the creditors if they have not already provided their claim forms along with any applicable documentation in line with AML/CFT laws. Any distributions will be made in accordance with Schedule 7 of the Act.

### Assets

The Liquidator has been advised that the Company had no assets as at the date of the liquidation.

### **Creditor Claims**

In accordance with section 255(2)(c) of the Act, a schedule of all known creditors of the Company as at the date of this report is provided in **Appendix Two**.

### **Secured Creditor Claims**

A search of the Personal Properties Securities Register disclosed one security interest registered against the Company.

The Liquidator has issued a notice in accordance with section 305 to the secured creditor on the date of their appointment. Secured creditors have 20 working days after that date to elect which of the following they wish to exercise:

- a. Realise the property subject to their charge; or
- b. Value the property subject to their charge and claim in the liquidation as an unsecured creditor for the balance of their claim, if any; or
- c. Surrender the charge to the Liquidator for the general benefit of creditors and claim as an unsecured creditor for the whole debt.

If a secured creditor fails to notify the Liquidator of their election within 20 working days, their charge will be surrendered to the Liquidator for the general benefit of creditors, and they may claim in the liquidation as an unsecured creditor for the whole debt.
