The Company traded from March 2020 as a management consultancy service. The Liquidator has been advised that the reason the company is being liquidated is because this company did not trade, it was set up for a specific contract which did not proceed due to the director’s health issues.

To date, the Liquidator has sent notices to the Company’s officers and professional advisors pursuant to section 261 of the Act requesting the delivery of the Company’s books, records and legal files. The Liquidator has also sent an account closing letter to 5 of the major banks in New Zealand.

A statement of the Company's estimated financial position as at the date of liquidation is provided in **Appendix One**. This statement has been prepared based on information obtained from the Company, its officers and creditors. The information has yet to be verified for validity and may be subject to change.

Proposals for Conducting the Liquidation

The Liquidator will take steps to realise the assets of the Company and continue their investigations into the affairs of the Company to determine if there are any insolvent transactions and/or breaches of any relevant legislation by the Company or its officers. It is too early to comment on any recoveries and the likelihood of a distribution at this stage. However, if it is determined that there are sufficient funds to make a distribution to creditors, the Liquidator will contact the creditors if they have not already provided their claim forms along with any applicable documentation in line with AML/CFT laws. Any distributions will be made in accordance with Schedule 7 of the Act.

Assets

The Liquidator has been advised that the Company had the following assets as at the date of the liquidation:

- Minor office equipment

It is too early to determine the realisable value of these assets and/or any potential claims available to the Liquidator. The Liquidator is also investigating whether there are any other assets and/or potential claims which may give rise to additional recoveries for the benefit of creditors.

- a) the request is frivolous or vexatious; or
