## Proposals for Conducting the Liquidation

The Liquidator will take steps to realise the assets of the Company and continue their investigations into the affairs of the Company to determine if there are any insolvent transactions and/or breaches of any relevant legislation by the Company or its officers. It is too early to comment on any recoveries and the likelihood of a distribution at this stage. However, if it is determined that there are sufficient funds to make a distribution to creditors, the Liquidator will contact the creditors if they have not already provided their claim forms along with any applicable documentation in line with AML/CFT laws. Any distributions will be made in accordance with Schedule 7 of the Act.

## Assets
